The dinosaur is a prehistoric animal.

This image shows an *Anchisauripus Sillimani*. This lion sized dinosaur was a meat eater and it used to roam its subtropical habitat in Adams and York County, Pennsylvania on two legs. A footprint of this dinosaur is at Gettysburg National Military Park. The footprint is from the Triassic period, of the Mesozoic era, approximately 200 to 250 million years ago. The Mesozoic era is also known as the “Age of Reptiles.” This image is courtesy of [gettysburgdaily.com](http://gettysburgdaily.com).

A way of life for a group of people who share similar beliefs and customs.

Religion and expressive art are important aspects of human culture. This photograph shows the tower at the entrance of the Sri Mariamman Temple in Singapore. This photograph was taken by AngmoKio on February 15, 2011. This image is courtesy of Wikimedia Commons.

# Culture

A way of life for a group of people who share similar beliefs and customs.

Religion and expressive art are important aspects of human culture. This photograph shows the tower at the entrance of the Sri Mariamman Temple in Singapore. This photograph was taken by AngmoKio on February 15, 2011. This image is courtesy of Wikimedia Commons.

Celebrations, rituals, food, sports, and patriotism are different parts of America's culture.

Some items that are considered to be uniquely American are apple pie and baseball. This image is courtesy of Wikimedia Commons.

An object made by humans that represents a culture.

These camels are glazed pottery made in China during the Tang Dynasty (618-907 CE). CE stands for “Common Era.” These figures were placed in tombs with other ceremonial and everyday objects. These images were on display on the University of Pennsylvania’s Museum. This image was taken by Robert Housch on Sunday, March 13, 2011.

## Artifact

An object made by humans that represents a culture.
