

LEQ: Who was the first President in United States' history to be impeached?

The galleries of the Senate Chamber were filled to capacity on March 5, 1868, as the Senate began its proceedings for the impeachment trial of President Andrew Johnson. Popular interest in the trial was so intense that the Senate, for the first time in its history, issued gallery passes, beginning a practice that continues to the present. On May 16, the Senate voted on one article of impeachment, falling just one vote short of conviction and removal from office. This image is courtesy of senate.gov.

The Presidency of Andrew Johnson

This image shows Abraham Lincoln in an open casket in New York City on April 24, 1865 by Jeremiah Gurney. As the nation mourned the death of President Lincoln in April 1865, a very different man took office. His battles with Congress over policies toward the south would end in bitterness, anger, and a historic confrontation. This image is courtesy of rogerjnorton.com.
