Mrhousch.com is also the source for your lessons. We will not be using a textbook. You may download these items to your device so that you may look at them at your leisure whether the internet is working at school at that moment or not.

The homework assignments in the class will be mostly one of doing your reading from the lesson on mrhousch.com. This image is courtesy of the Whitman Hansen School District.

After you read your lesson on mrhousch.com, you will look over Study Guides for that lesson, and take a Pre-Test on that material using Google Classroom.

The Pre-Test will be used to judge how much effort that you put into your assignment for that evening. This image is courtesy of bigwormscff.org.

Many days your homework assignments will be:

1. Go to mrhousch.com and look at the homework for today's date:
2. On mrhousch.com Read the “Basics” section of a lesson (Vocabulary words, people to know, and maps)
3. On mrhousch.com Read the “Story” section of a lesson (The Story lesson tells the narrative or story about what you are studying).
4. On mrhousch.com under “Related Documents” look over the Quiz Study Guide for that lesson.
5. On mrhousch.com under “Related Documents” look over the Map Study Guide for that lesson.
6. On Google Classroom take the Quiz Pre-Test on the lesson that you read.
7. Think about the Essay question for that day's lesson.

Academic Class Work Besides the American Classics tests, students will be graded on quizzes/tests that we will have approximately once a week.

The quizzes and tests will be on whatever we have covered during that week. They will usually consist of an overall quiz, a geography quiz, and an essay. This image is courtesy of walesonline.co.uk.

Approximately once a week you will have an “overall” history quiz on previous lessons, a Map Test from previous lessons, and an essay.

The essay questions will be presented to you throughout the week. Look at mrhousch.com for the essay questions for each lesson. This image is courtesy of hotdog.com.

We will have three classroom debates this year.

If you miss any or all of a debate, your makeup work will be: Go through local newspapers and census records and compile a database for the Hanover community.

It is up to you to makeup any or all work that you have missed. Be responsible. Mr. Housch is not going to chase you down. This image shows the Hanover, Pennsylvania town square in 1863. This image is courtesy of Wikimedia Commons.

Makeup Work

Any test on which you score **less than a “2”** needs to be taken again until you show that you understand the material on which you were tested.

It is your responsibility to make up this work. You have one week from when the test was given to makeup the work. This image is courtesy of hotdogs.com.

Notebooks—Students will acquire a notebook for this class with an approximate 2 inch wide spine. **If you cannot acquire a notebook, let Mr. Housch know.**

You need your own large three ring notebook for this class by **Friday**.
