I have placed the locker information in a notecard in your folder. Start at 0.

To open, turn the dial: Right three times, left two times, and right one time. Then turn the dial to the right to open the locker.

For instance, if your combination is **30-10-25**:

You will go right twice past 30 and stop on 30 on the third turn. Then go left once past 10 and stop on 10 on the second turn. Go right and stop on 25 on your only turn. Finally, turn the knob to the right to open the locker. This image is courtesy of acehardware.com. When you come into the classroom, the first thing you need to do is follow the instructions on the left center of the whiteboard:

If you are speaking, not paying attention, or otherwise disturbing the class when I am speaking, or someone else has the floor, I will write your name on the whiteboard. That is your first strike.

This is not a whiteboard, this is a blackboard. Today we don't have chalk. This image is courtesy of blackboardchalk.org.

I am not going to tell you that you have your name on the board, you need to be aware that your name is on the board.

The American symbol of "Uncle Sam" will be used to get across more than a few points in this class this year. This image is courtesy of patriotpost.us.

If you again speak, disrupt the class, or do not pay attention when I or others have the floor, I will put a check mark by your name. That will be your second strike, and you will receive a blue slip.

No checkmarks are good. Checkmarks are bad. Very bad. This image is courtesy of checkinabox.org.

Is there anyone who does not understand this rule?

We'll see. This image is courtesy of huhtwins.org.

<u>Absence Policy</u>— If you are absent from school, **YOU** are responsible for receiving your assignments including any possible handouts.

You have **TWO SCHOOL DAYS** to complete the missed work for each day you were absent.

If you know that you will be gone for an excused absence (such as on an "Educational Trip") it is your responsibility to download these assignments, print them out, and take any online Pre-Tests or Tests before you return to school.

When you take your "educational trip" to Florida, or other educational locations, you need to keep up with your school work. Bring your computer. This image is courtesy of teen.computer.

You are responsible for knowing your assignments, as they will usually be posted weeks ahead of time, on the website mrhousch.com.

On mrhousch.com the assignments can be accessed from the front page at the tab labeled "Assignments."

The "Assignment" tab is at the top of the page. This image shows a test home page of the mrhousch.com site for this year. This image is courtesy of mrhousch.com.

The lessons and any items to download can also be accessed via the "Lessons" tab on the front page or from http://mrhousch.com/lessons/.

The "Lessons" page currently contains lessons from the beginning of man's arrival in North America to Reconstruction. One needs to click on one of the "banners" to start looking at the lesson. This image is courtesy of mrhousch.com.

You should download lessons and other items to your computer or other electronic device (smartphone) so that you may look at them at your leisure whether the internet is working at home or at school when you need to look at them.

Mrhousch.com is accessible/viewable on your smartphone, or other electronic devices. This image is courtesy of mrhousch.com.

There is no excuse for coming to school and not knowing what your homework/assignment was for the previous day(s) or in the future.

Just do what you are supposed to do. This images is courtesy of womensrunning.competitor.com.

We are not having big tests this semester. You will be tested more frequently with smaller tests. It is up to you to do your homework/assignments and to understand your responsibilities.

<u>Grading:</u> Based on our school's current grading system, students will receive the following grades:

4 The student has gone above and beyond in mastery of this material.

3 The student has mastered this material.

March 19, 2021- Write or recite from memory the first verse to **"The Star Spangled Banner."**

Writing/Reciting/Singing the first verse of the Star Spangled Banner in front of the teacher from memory will give one a "3."

Oh, say, can you see, by the dawn's early light,

What so proudly we hail'd at the twilight's last gleaming?

Whose broad stripes and bright stars, thro' the perilous fight,

O'er the ramparts we watch'd, were so gallantly streaming?

And the rockets' red glare, the bombs bursting in air,

Gave proof thro' the night that our flag was still there.

O say, does that star-spangled banner yet wave

O'er the land of the free and the home of the brave?

The first verse of the Star Spangled Banner is frequently performed at the beginning of sporting events. This image is courtesy of flagworldinc.com.

Writing/Reciting/Singing the four verses of the Star Spangled Banner in front of the teacher from memory will give one a "4."

DEFENCE OF FORT MHENRY. The annexed song was composed under the following circumstances-A gentleman had left Baltimore, in a flag of truce for the purpose of get-ting released from the British fleet, a friend of his who had been captured at Mariborough.—He went as far as the mouth of the Paturent, and was not permitted to return lest the intended attack on Baltimore should be disclosed. He was therefore brought up the Bay to the mouth of the Pa-tapsco, where the flag vessel was kept under the gans of a frigate, and he was comp elled to witness the bombardment of Fort M'Henry, which the Admiral had boasted that he would carry in a few hours, and that the city must [al]. He watched the flag at the Fort through the whole day with an anxiety that can be better feit than described, until the night prevented him from seeing it. In the night he watched the Bomb bells and at each day the series are are created by the stored he myrize Shells, and at early dawn his eye was again greeted by the proudly waving flag of his country. Tune-ANACREON IN HEAVEN. O ! say can you see by the dawn's early light, What so proudly we hailed at the twilight's last gleaming, Whose broad stripes and bright stars through the perilous fight, O'er the ramperts we watch'd, were so gailantly streaming? And the Rockets' red glare, the Bombs bursting in air, Gave proof through the night that our Flag was still there; O! say does that star-spangled Banner yet wave, O'er the Land of the free, and the home of the brave? On the shore dimly seen through the mists of the deep. Where the foe's haughty host in dread silence reposes, What is that which the breeze, o'er the towering steep, As it fitfully blows, half conceals, half discloses Now it catches the gleam of the morning's first beam, In full glory reflected new shines in the stream, "Tis the star spangled banner, O! long may it wave O'er the lard of the free and the home of the brave. And where is that band who so vauntingly swore That the havoc of war and the battle's confusion, A home and a country, shall leave us no more ? Their blood has washed out their foul footsteps pollution. No refuge could save the hireling and slave, From the terror of flight or the gloom of the grave, And the star-spangled banner in triumph doth wave, O'er the Land of the Free, and the Home of the Brave. O! thus be it ever when freemen shall stand, Between their lov'd home, and the war's desolation. Blest with vict'ry and peace, may the Heav'n rescued land, Praise the Power that hath made and preserv'd us a nation ! Then conquer we must, when our cause it is just, And this be our motto-" In God is our Trust : And the star-spangled Banner in triumph shall wave, O'er the Land of the Free, and the Home of the Brave

April 26, 2021- Correctly identify the Fifty States of the United States, and spell them correctly.

April 26, 2021- If you want a "4" on this test, then one has to know all of the states. They also need to correctly identify the Capital cities of the Fifty States of the United States.

Sometimes the state capitals are not the largest cities in a state. This image is courtesy of 50states.com.

May 25, 2021- Recite or write from memory the first two paragraphs of the **Gettysburg Address**.

May 25, 2021- If you want a "4" on this test, one has to know the complete Gettysburg Address.

The photograph shows Abraham Lincoln on the speaker's platform at Gettysburg, Pennsylvania on November 19, 1863. This picture was taken around noon. Three hours later, Lincoln would deliver his "few appropriate remarks." This image is courtesy of the Library of Congress.

One may take each American Classics test three times (without penalty) until the dates listed above.

Behavior/Habits of Learning-- You will be evaluated on the work assigned to you during class and on your homework.

If you decide for whatever reason that you will not finish the work during the time allowed, then you will be graded accordingly. These points add up for good or for bad by the end of the marking period.

Finishing your work is good. Not finishing your work is bad. Very bad. This image is courtesy of lifehacker.com.

It is strongly recommended that you do your homework assignments. Many times your at home assignments will be to read and to download a power point or pdf of the lesson for the next class.

The homework assignments in the class will also be reading your trade book, or working on your project, or researching for a debate. This image is courtesy of the Whitman Hansen School District.

After you read your lesson on mrhousch.com, you will look over Study Guides for that lesson, and take a Pre-Test on that material using Google Classroom.

The Pre-Test will be used to judge how much effort that you put into your assignment for that evening. This image is courtesy of bigwormseff.org.

Many days your homework assignments will be:

1. Go to mrhousch.com and look at the homework for today's date:

2. On mrhousch.com Read the "Basics" section of a lesson (Vocabulary words, people to know, and maps)

3. On mrhousch.com Read the "Story" section of a lesson (The Story lesson tells the narrative or story about what you are studying).

4. On mrhousch.com under "Related Documents" look over the Quiz Study Guide for that lesson.

5. On mrhousch.com under "Related Documents" look over the Map Study Guide for that lesson.

6. On Google Classroom take the Quiz Pre-Test on the lesson that you read.

7. Think about the Essay question for that day's lesson.

Plan ahead and do these assignments when you have internet access, such as during COLT period.

When you are in school, and the internet is working, you should download the materials that you will need for the next class. This image is courtesy of tipsnext.com. It is strongly recommended that your computer's battery is fully charged, and that your computer is fully functional for class.

Take any opportunity to plug in your computer. This image is courtesy of lifehacker.com.

One should attempt to plug up their computer during their homeroom if they doubt the battery charge will not last through the complete academic day.

One could also plug up their computer in homeroom during lunch, or in the LGI during COLT. This image is courtesy of lifehacker.com.

If there is a consistent pattern of your computer not working properly, and you have not taken it to the Tech Center to get it repaired and/or receive a replacement, this will also affect your Habits of Learning Grade.

Not only will you lose responsibility points, you will lose communication points. This image is courtesy of saulteup.edu.

<u>Academic Class Work</u> Besides the American Classics tests, students will be graded on quizzes and writing assignments that we will have throughout the semester.

The quizzes and tests will be on paper. This image is courtesy of walesonline.co.uk.

The assignments for the class are found on mrhousch.com on the front page at the tab labeled "Assignments."

The "Assignment" tab is at the top of the page. This image shows a test home page of the mrhousch.com site for this year. This image is courtesy of mrhousch.com.

The primary reading lessons for this class are on mrhousch.com under "Lessons." or from http://mrhousch.com/lessons/.

The "Lessons" page currently contains lessons from the beginning of man's arrival in North America to Reconstruction. One needs to click on one of the "banners" to start looking at the lesson. This image is courtesy of mrhousch.com.

Students are expected to read the "Basics" section and the Story section before each class in order to prepare you for when you will be tested on the content of that material.

The "Basics" part of the lesson is always on the left and the "Narrative" part of the lesson is always on the right. This image is courtesy of mrhousch.com.

Students will also be assigned writing assignments related to the material that is covered in these lessons, and the essay questions are posted on mrhousch.com. Be prepared for the essay.

The Essays are listed on the "Upcoming Assignments" which is located on the homepage. This image is courtesy of mrhousch.com.

If you haven't completed the lessons before class, you will have made an unnecessary challenge for yourself.

Show responsibility. Be prepared for class. This image is courtesy of thekenyonthrill.com.

Approximately once every two weeks you will have an "overall" history quiz on previous lessons, a Map Test from previous lessons, and an essay.

The essay questions will be presented to you throughout the week. Look at mrhousch.com for the essay questions for each lesson. This image is courtesy of hotdog.com.

You will take two laps around the room, stretch, and not touch anybody.

You will walk in the direction that the arrow is pointing. This image is courtesy of clipart.com.

We might have three classroom debates this year.

If you miss any or all of a debate, your makeup work will be: Go through local newspapers and census records and compile a database for the Hanover community.

You will go to Mr. Househ to receive your specific assignment for this project. It is up to you to makeup any or all work that you have missed. Be responsible. Mr. Househ is not going to chase you down. This image shows the Hanover, Pennsylvania town square in 1863. This image is courtesy of Wikimedia Commons.

<u>Makeup Work</u> Any test on which you score less than a "2" needs to be taken again until you show that you understand the material on which you were tested.

You should take the initiative to study for the makeup test and attempt to retake it before school or during COLT period (if you are available).

You have two weeks to retake a test and/or makeup any work.

One week doesn't mean 14 school days. It means two weeks from the day you took/missed the tests. This image is courtesy of bsoylc.com.

On retakes, you will fill out a Retake Request sheet stating why you want to retake the test, and stating why you did not do well on the test the first time you took it.

The best way not to have to retake tests is to study well for tests in preparation for the first time that you will take the test. This image is courtesy of resultsonly learning.blogspot.com.

Your highest score on a retake will not be more than a "3."

You will be expected to study before you retake a test. This image is courtesy of hubd123.org.

After the first retake you cannot score higher than a "2" on the next retake for that test.

Most students who actually study, do not have to retake a test more than once. This image is courtesy of s4rb.com.

If you do not take the initiative to make up the test on your own, you may receive a pass to come to Mr. Househ's room during lunch to retake the test.

Once again it will be your responsibility to make up tests or to take tests that you missed. We are on a four point scale instead of understandable letter grades such as those seen in this drawing. This image is courtesy of eagleionline.com.

<u>Assignments</u>—Assignments are posted in the classroom, and on the website mrhousch.com. On the website more than a couple of days are posted at a time.

This image shows a 1937 Chevrolet School Bus. It was used by the Willis Independent School District in Willis, Texas. This image is courtesy of oldbus.us.

It is your responsibility to retrieve your assignments and any class work.

Emory H. Markle Intermediate School is located in Hanover, Pennsylvania. This image is courtesy of swsd.k12.pa.us.

You should call the guidance office and ask someone to retrieve any materials that cannot be accessed by mrhousch.com and have them waiting in the guidance office for someone to pick up for you.

The telephone number for Emory H. Markle Intermediate School is 717-633-4840. The extension for the Guidance Office is 22924. This image is courtesy of shenango.k12.pa.us.

<u>Notebooks</u>—Students will acquire a notebook for this class with approximately a 2 inch wide spine. All your work for this class should be kept in your notebook. If you have a dispute with the teacher over your grade or missing work, you need to produce the evidence that you did the work.

A Notebook is a book or binder composed of pages of notes, often ruled, made out of paper. This is not an electronic notebook. This image is courtesy of amazon.com.

You need your own three ring notebook for this class by your next face to face class.

This notebook contains recipes for cooking food. Your notebook will contain your papers for this class. This image is courtesy of tantarobina.com.

<u>Headphones</u>-Students need to acquire headphones/earphones for this class.

Sometimes there will be short video clips to listen to as part of a lesson. This image is courtesy of tourtalksystem.com.
